If you've read the first book, Straight From The Heart, you already know what Jake is like, and I was happy to find that the author didn't change his personality from the first book - he's still the somewhat grumpy, mostly introverted guy who just wanted to play his guitar and write music.

Raised in a cult in Northern California, his mother smuggled him out when he was

When agreement is reached, they will be restored. The shock element in art has been much talked about in the last five years but art that actually shocks has been thin on the ground during the same period. Chandra also reveals the presence of two bright sources straddling the nucleus located almost symmetrically at 20" from the center. Sometimes, they say we need it to protect exchange from corruption, to set the standards and police the rules, in which case they have a point, though often they exaggerate it. The trip may have

started with us wanting to do something epic in our travels, but it evolved to become a trip about discovery, education and helping .
