So wuchs das Forschungsfeld rasch und Netzwerke entstanden.  
Quality and Safety in Neurosurgery - Daniel J. I feel in this study that I have worked backwards ethnographically in that I started with an interest in the system used for communicating through the Libya crisis and I arrived at an understanding of an observable purpose built virtual community. The story just isn't that enticing so, to put it shortly, I'm sorry to say but that's it for me.
