But the correctness of it is also established by the teachings of the Talmud and of the old wise men, who assure us, that many of our famous forefathers availed themselves of apparently supernatural means from time to time, to protect their best interests. The most important is the position and orientation of the user's head.

EnterSirTobyandAndrew.Nature;InfoGraphicWanderer. Meet Talon. Someone posted it in chunks on YouTube some time ago but I think it has since disappeared. He became a restricted free agent after the season. A wonderfully contrasting, march-like middle section has a Turkish or oriental military flavor to it.
