However, CARD was wracked with internal divisions, and after an acrimonious annual convention in Dummett concluded that a white person could play only an ancillary role in the fight against racism. Despite his abundant literary production, Silva was far from wealthy at his death, his printer Portonariis owing him a sizeable quantity of money. Nevertheless, he is reported to have been helpful to those in need, though whether this was financially or otherwise is not specified. The plots of his romances are more complicated than those of his predecessors, with more characters and as a result more narrative threads and subplots, to the point where it is virtually impossible to make an intelligible summary of the plot of any of them. But even when the adventures are the same as those found in the works of Montalvo, the difference between the two authors is clear.
