The Silver Dart

Caius, the true position dawning upon him, shakes his fist in impotent wrath after the retreat- ing company.

Studies in Mathematical Physics: Lectures Presented at the NATO Advanced Study Institute on Mathematical Physics held in Istanbul, August, 1970

Instead of focusing on complicated and quickly outdated discussions of things like gear or retouching software, readers learn the timeless principles of good photography, the essentials of every camera and lens, and how to use all that knowledge to take the shots they previously thought were only achievable by professional photographers.
